Sujit Das speaks at DOT workshop

September 6, 2011 – CTA's Sujit Das made an invited presentation on "Transportation Challenges in Biofuels Supply Chain Logistics" at the U.S. Department of Transportation's Interagency Biofuels Infrastructure Workshop held in June in Washington, D.C. The invitation-only workshop focused on supply chain issues considering transport and distribution challenges from the point of domestic feedstock production through finished biofuel retail distribution, and each segment in between.
