

Dr. Janet Hopson Wins R&D Award at DOE Annual Merit Review Meeting

The U.S. Department of Energy's (DOE's) [2013 Annual Merit Review](#) and Peer Evaluation Meetings (AMR) for the Hydrogen and Fuel Cells Program and the Vehicle Technologies Program will be held on May 13–17, 2013, in Arlington, Virginia. At the DOE Vehicle Technologies Annual Merit Review Luncheon, Dr. Janet Hopson was recognized with one of five 2013 R&D Awards for her work developing and continuously improving the website www.fueleconomy.gov. The website was cited as one of the most widely used and useful U.S. Government websites, as well as for its contribution to federal programs such as Cash for Clunkers.
